

## Whitecourt Family Worship Centre Values

- Loving people
  - We are committed to loving people with action, not just in theory, regardless of who they are. This includes lost people, broken people and everyone else.
- Biblical Truth
  - We adhere to generally accepted evangelical principles of Bible interpretation.
  - We are committed to not compromising Biblical integrity.
- Salvation in Jesus
  - We are convinced that Jesus is the only way to salvation.
- Salvation for all
  - We believe salvation through Jesus is for everyone who chooses to embrace it, not just for a chosen few.
- Engaging Culture
  - We want to be culturally relevant, like Jesus was to his culture when he was on earth, whenever possible within the boundaries of Biblical integrity. We recognize that there are many times when Jesus calls us to be very counter-cultural and we embrace that in those instances. But we also want to build as many bridges as possible to our culture to reach our neighbours, whenever possible.
- Humility
  - We believe humility is a key virtue for everyone who wants to grow in any area of their life, including spiritually. Jesus calls us to live humbly.
- Boldness
  - We believe that boldness is a foundational Biblical attitude toward living life as a follower of Jesus. We are not called to be fearful and cautious but to love courageously, openly, and freely just as Jesus has loved us.
